Our Lighted Tractor Parade continues to expand and has reached a level where we are drawing over 5,000 spectators.

We want everyone to feel welcome in our town. We strive to offer amenities and services so as not to put a strain on our local businesses and to provide comfort, safety, and ease of access to our guests. The parade was easy to finance the first year—six units are incredibly affordable and easy to manage. We expanded to 130 units in our 5th year and our expenses reached a level where it became necessary to seek sponsors from our local businesses.

We’re eager to grow.

We’re loving the enthusiasm that has been generated.

We’re in need of your help.

This influx of visitors offers a wonderful marketing opportunity for our business community and we encourage you to seize the moment to put your brand in front of an audience that loves and lives the rural life, appreciates agriculture, and is especially fond of tractors.

Let’s make the magic happen.
